Last Word

St. Thomas

Swallowed Bible (?)
I lost my chewing gum.
It's my mistake,
And I'm not gonna talk about it.This is the last word I'm gonna find.
This is the first line, first line baby.
We're gonna shoot and shatter your big sound. (?)
Where's the _____, where's the _____.
Take a _____There was a _____
There was a letter from your relatives, relatives
There was a letter from the corporation
There was a line saying production, production.Swallowed _____
I lost my chewing gum.
It's my mistake,
And now my _____This is the last word I'm gonna find.
This is the first line, first line baby.
I'm gonna shoot and shatter your big sound. (?)
Where's the _____, where's the _____.
Take a _____There was a _____
There was a letter from your relatives, relatives
There was a letter from the corporation
There was a line saying production, production.She spins it off on everything, everything, (?)
It must have been funny one.
_____You're above and below. (20 times)
