One of These Days

Prozak

I ain't up to no dubs or chairs or nothin.
This is real spill right here.
Just one track.Verse One:
One of these days I'ma grow up and stop gettin toe up.
One of these days I'ma blow up and show up plush.
One day I'm really gonna go up chuck,
I'm low, just stuck, cause lately it ain't no luck fuck.
It's like my dough cut up the fact that I blow buck sucks.
I need some more ducks to fold up and hold up stuff.
I'ma roll up, what, some y(o)ellow stuff.
Par for me, no rust, and no crust, I'm a sure nuf bust.
One of these days fans are gonna blow up cut.
Won't be anymore hush hush, about doin our show, just trust.
And that statements cause of they no nough rush to go get my flow cuss ready amongst they soul duck us.
I'm swole up, cause a hold just struck. Friggin IRS admires stress, I'm ready to throw knucks up.
One of these days I'ma go nuts, what, like right now this life styles cause it's so rough? Tough.Chorus:
One of these days, I'll find what I'm lookin for.
And I won't look no more.
I'll say out loud that I'm here now.
I walk on holy ground.
One of these days, my life won't hold me down.
One of these days. Ya, one of these days.Verse Two:
Yo.
One of these days, I'll be comfortable in my own skin.
Happy with what I have.
Happy with who I am.
Accept the things I can not change, and change the things I can.
Achieve the wisdom to conquer these struggles from within.
One of these days, I'm gonna forgive my enemies.
Release these grudges and negative energies and just set it free.
Life is to short for this baggage that attacks and then hammers. It's like a savage monkey on your back that is ragged and rabid.
One of these days I'ma undo all the bad that I've done.
Correct the karma and try to make right by everyone.
Every bridge I burned, trust me the lessons learned.
Still dealin with these previous grievances that I've earned.
One of these days I'll be buried and gone, all that will remain are the lyrics and vocals and hopes contained in this song.
Life's about the path you have chosen thats gotch you hopin to get on through the door while it's still open, it's

closin. One of these days.Chorus:
One of these days, I'll find what I'm lookin for.
And I won't look no more.
I'll say out loud that I'm here now.
I walk on holy ground.
One of these days, my life won't hold me down.
One of these days. Ya, one of these days.Verse Three:
I wanna be a millionaire sooo fuckin bad.
**Forget about it.
Put I should be thankful for the things that I have.
**You can live without it.One of these days I'll get some plaques on the wall.
Never be hated. Be rated one of the best of them all.
Greatest of all times, play this in my mind about a million times before when I say this in my rhyme.
Never know when it's time to go.
**K
One of these days I'll get my spirit right, lyrics like I'm livin right. When you hear it you hear what I fear at night.
**OK
One of these days I'll pay a bill when it's due.
They messin with you, if you just owe a few to their revenue.
**OK
Get off this emotional roller coaster I been riding.
Live life to the fullest cause every day you keep on dyin.
One of these days you won't see my vitiligo, and people will stop starrin where I go.
One of these days.Chorus:
One of these days, I'll find what I'm lookin for.
And I won't look no more.
I'll say out loud that I'm here now.
I walk on holy ground.
One of these days, my life won't hold me down.
One of these days. Ya, one of these days.
