Rehab

Rihanna(è•¾å“ˆå¨œ)

Baby, baby, when we first met
I never felt something so strong
You were like my lover and my best friend
All wrapped into one, with a ribbon on itAnd all of a sudden, when you left
I didn't know how to follow, it's like a shot
That spun me around and now my heart dead
I feel so empty and hollowAnd I'll never give myself to another, the way I gave it to you
Don't even recognize the ways you hurt me, do you?
It's gonna take a miracle to bring me back
And you're the one to blameAnd now I feel like, oh, you're the reason why I'm thinking
I don't wanna smoke all these cigarettes no more
I guess this is what I get for wishful thinking
I should've never let you into my doorNext time you wanna go on and leave
I should just let you go on and do it
Now I'm using like I bleedIt's like I checked into rehab
Baby, you're my disease
It's like I checked into rehab
Baby, you're my diseaseI gotta check into rehab
'Cause baby, you're my disease
I gotta check into rehab
'Cause baby, you're my diseaseDamn, ain't it crazy when your love swept?
You'll do anything for the one you love
'Cause anytime that you needed me, I'd be there
It's like you were my favorite drugThe only problem is that you was using me
In a different way that I was using you
But now that I know, it's not meant to be
You gotta go, I gotta win myself over youAnd I'll never give myself to another, the way I gave it to you
Don't even recognize the ways you hurt me, do you?
It's gonna take a miracle to bring me back
And you're the one to blame'Cause now I feel like, oh, you're the reason why I'm thinking
I don't wanna smoke all these cigarettes no more
I guess this is what I get for wishful thinking
I should've never let you into my doorNext time you wanna go on and leave
I should just let you go on and do it
Now I'm using like I bleedIt's like I checked into rehab
Baby, you're my disease
It's like I checked into rehab
Baby, you're my diseaseI gotta check into rehab
'Cause baby, you're my disease

I gotta check into rehab
'Cause baby, you're my diseaseNow ladies, gimme that
Oh, oh, oh, oh, oh, oh, oh, oh, oh
Oh, now gimme that
Oh, oh, oh, oh, oh, oh, oh, oh, ohNow ladies, gimme that
Oh, oh, oh, oh, oh, oh, oh, oh, oh
Oh, now gimme that
Oh, oh, oh, oh, oh, oh, oh, oh, ohOh, you're the reason why I'm thinking
I don't wanna smoke all these cigarettes no more
I guess this is what I get for wishful thinking
I should've never let you into my doorNext time you wanna go on and leave
I should just let you go on and do it
Now I'm using like I bleedIt's like I checked into rehab
Baby, you're my disease
It's like I checked into rehab
Baby, you're my diseaseI gotta check into rehab
'Cause baby, you're my disease
I gotta check into rehab
'Cause baby, you're my disease
