

# Rehab

**Rihanna(è•¾å“^å“œ)**

Baby, baby, when we first met  
I never felt something so strong  
You were like my lover and my best friend  
All wrapped into one, with a ribbon on itAnd all of a sudden, when you left  
I didn't know how to follow, it's like a shot  
That spun me around and now my heart dead  
I feel so empty and hollowAnd I'll never give myself to another, the way I gave it to you  
Don't even recognize the ways you hurt me, do you?  
It's gonna take a miracle to bring me back  
And you're the one to blameAnd now I feel like, oh, you're the reason why I'm thinking  
I don't wanna smoke all these cigarettes no more  
I guess this is what I get for wishful thinking  
I should've never let you into my doorNext time you wanna go on and leave  
I should just let you go on and do it  
Now I'm using like I bleedIt's like I checked into rehab  
Baby, you're my disease  
It's like I checked into rehab  
Baby, you're my diseaseI gotta check into rehab  
'Cause baby, you're my disease  
I gotta check into rehab  
'Cause baby, you're my diseaseDamn, ain't it crazy when your love swept?  
You'll do anything for the one you love  
'Cause anytime that you needed me, I'd be there  
It's like you were my favorite drugThe only problem is that you was using me  
In a different way that I was using you  
But now that I know, it's not meant to be  
You gotta go, I gotta win myself over youAnd I'll never give myself to another, the way I gave it to you  
Don't even recognize the ways you hurt me, do you?  
It's gonna take a miracle to bring me back  
And you're the one to blame'Cause now I feel like, oh, you're the reason why I'm thinking  
I don't wanna smoke all these cigarettes no more  
I guess this is what I get for wishful thinking  
I should've never let you into my doorNext time you wanna go on and leave  
I should just let you go on and do it  
Now I'm using like I bleedIt's like I checked into rehab  
Baby, you're my disease  
It's like I checked into rehab  
Baby, you're my diseaseI gotta check into rehab  
'Cause baby, you're my disease

I gotta check into rehab  
'Cause baby, you're my diseaseNow ladies, gimme that  
    Oh, oh, oh, oh, oh, oh, oh, oh, oh  
        Oh, now gimme that  
    Oh, oh, oh, oh, oh, oh, oh, oh, oh  
        Oh, now gimme that  
    Oh, oh, oh, oh, oh, oh, oh, oh, oh  
        Oh, now gimme that  
    Oh, oh, oh, oh, oh, oh, oh, oh, oh  
        Oh, now gimme that  
    Oh, oh, oh, oh, oh, oh, oh, oh, oh  
        Oh, now gimme that  
    I don't wanna smoke all these cigarettes no more  
        I guess this is what I get for wishful thinking  
    I should've never let you into my doorNext time you wanna go on and leave  
        I should just let you go on and do it  
    Now I'm using like I bleedIt's like I checked into rehab  
        Baby, you're my disease  
        It's like I checked into rehab  
    Baby, you're my diseaseI gotta check into rehab  
        'Cause baby, you're my disease  
        I gotta check into rehab  
        'Cause baby, you're my disease
