# Addiction

## Dope

Round and round
You're turning me inside out
You're burning me down, down, down
You're spilling me to the ground
You're killing meThis ain't no one night stand
I wanna do it againShe's like cocaine, heroin, alcohol, Vicodin
She's my addiction, my, my addiction
She's cocaine, heroin, alcohol, Vicodin
She's my addiction, my, my addictionUpside down
You're taking me underground
Your breaking me down, down, down
You're tearing me inside out
You bury meThis ain't no one night stand
I gotta do it again and againShe's like cocaine, heroin, alcohol, Vicodin
She's my addiction, my, my addiction
She's cocaine, heroin, alcohol, Vicodin
She's my addiction, my, my addiction
You're my addictionRound, round, round, roundShe's like cocaine, heroin, alcohol and Vicodin
She's my addiction
She's like cocaine, heroin, alcohol and Vicodin
She's my addiction, you're my addictionRound and round you're turning me
She's my addiction, my, my addiction
Inside out you're burning me
She's my addiction, my, my addiction
You're my addiction
