

# Desire

## 2 Unlimited

Come closer, baby  
I wanna touch you  
'Cause I'm filled with desire  
It's burning in my blood with a fever like fire  
DesireUuh, there's something on your mind  
When you look across the room  
I know there's something you can't findUuh, you're on the borderline  
When I look into your eyes  
I know there's something on your mind  
It's called desireDesire!  
The call of the heart  
It picks you up and it tears your mind apart  
Attraction, without satisfaction  
Sure ain't enough, cause you want interactionNow, not a moment to waste  
Hunger, and you know what you want it to be  
Pulling at your heart, burning in your blood  
With a fever like fire, DesireLust, when your body says much  
You can wish at a star, but don't trust luck  
If you bitten by the bug, hooked on the drug  
Then look for a girl to share your loveHeaven, where the angels don't go  
Heaven, where kicks turn to dreams  
It's pulling at your heart, running in your head  
Makes your skin scream of desireUuh, there's something on your mind  
When you look across the room  
I know there's something you can't findUuh, you're on the borderline  
When I look into your eyes  
I know there's something on your mind  
It's called desireThink sex, think bodies alone,  
You got it on your mind and you're not the only one  
Attraction, the kiss of introduction  
Look into her eyes and the kiss becomes seductionHere, where the angels don't go  
Heaven and nothing but kicks  
You're playing with your heart, playing with your life  
But you know you got to start, DesireUuh, you fill me up  
You fill me up  
You fill me with desireUuh, something on you mind  
Something on your mind  
Hey, hey  
Uuh, burning like fireYeah, you fill me with desire

You fill me with desire  
Hey boy, something on your mind  
Something on your mind
