

Call Me

Johnny Mathis

Call me if your arms are lonely
Call me if youre feeling blue
If you dont believe me
Just call and say you need me
And darling, Ill come to you
Call me if your dreams should tumble
I will help you start anew
If you dont believe me
Just call and say you need me
And darling, Ill run to you
Call me if things looks hopeless and gray
Ill come and change the view
Call me when spring seems farthest away
Ill change the season for you
Call and say you want me near you
Ill be there before youre through
If you dont believe me
Just call and say you need me
And darling, Ill fly to you
