

# Mad About You

## Slaughter

Home sweet home  
Las Vegas brothers  
Oh no, you drive me crazy  
Don't you know, know, know  
What you're doin' to me  
Only you drive me wild  
You're my ecstasy  
Can't you tell  
By the look in my eyes  
That I love you  
I've gotta show you  
What I feel in my heart  
'Cause I knew it  
Right from the start  
That I'm mad about you  
I go crazy with  
All of the things that you do  
I'm mad about you  
I'm so angry inside  
And it's all over you  
I'm mad about you  
Don't you go, go, go  
Too far away  
I need you close by my side  
Always here to stay  
Can't you tell  
By the look in my eyes  
That I love you  
I've gotta show you  
What I feel in my heart  
'Cause I knew it  
Right from the start  
That I'm mad about you  
I go crazy with  
All of the things that you do  
I'm mad about you  
I'm so angry inside  
And it's all over you  
It's been a long time baby  
Ooh, I keep this brewin' inside  
I can't take anymore  
Oh girl, I'm mad about you  
I'm mad about you  
Can't you tell  
When I look in your eyes  
I'm mad about you  
I'm mad about you  
I go crazy with

All of the things that you do  
I'm mad about you  
I'm so angry inside  
And it's all over you I'm mad about you  
I go crazy with  
All of the things that you do  
I'm mad about you  
I'm so angry inside  
And it's all over you Can't you see  
When you look in your eyes  
Tell me girl, girl
