

# Infamous

## Tegan And Sara

West Coast has got me screaming  
They've got me by the collar  
If you want it  
You come get it  
You tell the East Coast not to bother  
If you need me  
Well baby come and see me  
If you need me  
Well baby come and see me  
If you've got it to give  
You've got to give it all  
If you've got it to give  
You've got to give it all  
Oh give it all to me  
A pop princess my own diva  
Go on go on go on and see her  
Tell her she's out of luck  
She's out of touch  
And we all know that she's been around the block  
For days and days  
Oh for days and days  
If you need me  
Well baby come and see me  
If you need me  
Well baby come and see me  
If you've got it to give  
You've got to give it all  
If you've got it to give  
You've got to give it all  
Oh give it all to me  
I'm infamous for being infamous  
I don't think you're so famous miss  
I miss everything  
When you're away from me  
Infamous for being infamous  
Well I don't think you're so famous miss  
I miss everything  
When you're away from me  
So if you need me

Well baby come and see me  
If you need me  
Well baby come and see me  
If you've got it to give  
You've got to give it all  
If you've got it to give  
You've got to give it all  
If you've got it to give  
You've got to give it all  
If you've got it to give  
You've got to give it all  
If you've got it to give  
You've got to give it all  
Oh give it all to me
