

# Perfect

Emma Blackery

I used to spend my time wishing that I could be someone else  
Then I realized the person to be was always gonna be myself  
'Cause if you look past the imperfections  
We are all the same, we're only human  
The most powerful thing you own is your

Voice  
Scream above the noise  
That you're perfect as you are  
Even when times are hard  
You are brave and even if they say  
That you'll never go far  
That you're dumb, skinny, or scarred  
You're perfect the way you are

I used to spend my nights at the mirror just picking at my skin  
Praying for the day I loose some weight so I could be pretty or thin

But who was I to know that all I needed was some hope  
It starts getting better when you use your

Voice  
Scream above the noise  
That you're perfect as you are  
Even when times are hard  
You are brave and even if they say  
That you'll never go far  
That you're dumb, skinny, or scarred  
You're perfect the way you are

'Cause if you look past the imperfections  
We are all the same, we're only human  
And it took me years to see  
That all those imperfections fit me perfectly  
And those words I heard you tell yourself  
That it would all go away if you were someone else  
Be strong, breathe in, and use your

Voice  
Scream above the noise

That you're perfect as you are  
Even when times are hard  
You are brave and even if they say  
That you'll never go far  
That you're dumb, skinny, or scarred  
You're perfect the way you are

Scream above the noise  
That you're perfect as you are  
Even when times are hard  
You are brave and even if they say  
That you'll never go far  
That you're dumb, skinny, or scarred  
You're perfect the way you are
