Hooked On You

Cerrone

* Everybody's out there crying trying for the maximum
Everybody's out there searching taknig turns of making thrills of life
Everybody's running from it looking for the maximum
Everybody's out there hunting for something the minute that you...Don't need no no grass or cocaine
I'm hooked on you
Don't need no pills or champagne
I'm hooked on you
You bring that fresh old feeling
From now on you're all I'm needing
I'm hooked on you, yeahNow that my sad days are over
Crying over my shoulder
I'm hooked on your love
Don't need no no grass or cocaine
Don't need no pills or champagne
I've got you
I'm so hooked on you
Very hooked on you**~* Repeat
