Humble & Kind

Lori McKenna

You know there's a light that glows by the front door
Don't forget the key's under the mat
When childhood stars shine
Always stay humble and kindGo to church 'cause your mamma says to
Visit grandpa every chance that you can
It won't be wasted time
Always stay humble and kindHold the door, say "please", say "thank you"
Don't steal, don't cheat, and don't lie
I know you got mountains to climb
But always stay humble and kind
When the dreams you're dreamin' come to you
When the work you put in is realized
Let yourself feel the pride
But always stay humble and kind
Don't expect a free ride from no one
Don't hold a grudge or a chip and here's why
Bitterness keeps you from flyin'
Always stay humble and kindKnow the difference between sleeping with someone
And sleeping with someone you love
"I love you" ain't no pick-up line
So always stay humble and kindHold the door, say "please", say "thank you"
Don't steal, don't cheat, and don't lie
I know you got mountains to climb
But always stay humble and kind
When those dreams you're dreamin' come to you
When the work you put in is realized
Let yourself feel the pride
But always stay humble and kind
When it's hot, eat a root beer popsicle
Shut off the AC and roll the windows down
Let that summer sun shine
Always stay humble and kind
Don't take for granted the love this life gives you
When you get where you're going the right back around
And help the next one in line
Always stay humble and kind
