High Maintenance Woman

Hank Williams, Jr.

She wants a ten carat diamond ring And that's somethin' I ain't got
Oh, but the way that she shakes that thang she's gonna have one sooner than not
A hundred thousand dollar baby blue car that is also in her plan
She's a high maintenance woman and I'm a low budget man
She's a high maintenance woman
She's what you call a ten
She's a high maintenance woman
It takes a lot to keep her tuned in
Oh that very high maintenance woman got me in the shape I'm in
She's a high maintenance woman and I'm a low budget man
Now the beauty salon where she goes they do everything to...everything from her head down to her toes
And all the hot spots in between she blows about eight hundred there and then a champagne shopping spree
She has very expensive tastes but she's worth every penny
She's a high maintenance woman
She's is what is known as a ten
She's a high maintenance woman it takes a whole lot to keep her tuned in
Oh this very high maintenance woman got me in the shape I'm in
She's a high maintenance woman and I'm a low budget man
She's a high maintenance woman and I'm a low budget man
She's a high maintenance woman but I'm gonna find some more money, honey
She's a high maintenance woman
Darlin'
Sugar
Sweetie
She's a high maintenance woman and I'm a low budget man
