

Last Thing on My Mind (with Ronan Keating)

[LeAnn Rimes](#)

Four o'clock in the morning
My mind's filled with a thousand thoughts of you
And how you left without a warning
But looking back I'm sure you tried to talk it through Now I see it clearly
We're together but living separate lives So want to tell you I'm sorry
Baby I can't find the words
But if I could, then you know I would, yeah No I won't let you go, know what we can be
I won't watch my life, crashing down on me
Guess I had it all, right there before my eyes
Girl, I'm sorry now, you were the last thing on my mind You carried me like a river
How far we've come still surprises me And now I look in the mirror
Staring back is the man
I used to be With you
How I long for you No I won't let you go, know what we can be
I won't watch my life, crashing down on me
Guess I had it all, right there before my eyes
Girl, I'm sorry now, you were the last thing on my mind Girl I'm sorry I was wrong
Could have been there
Should have been so strong
So I'm sorry, wooh No I won't let you go, know what we can be
I won't watch my life, crashing down on me
Guess I had it all, right there before my eyes
Girl, I'm sorry now, you were the last thing on my mind No I won't let you go, know what we can be
I won't watch my life, crashing down on me
Guess I had it all, right there before my eyes
Girl, I'm sorry now, you were the last thing on my mind
