

# Hey Nikki

Dawn Richard

[Verse 1]

If these walls could talk  
They would tell our truth  
Leather-lipped words  
Talkin' bout my groove  
How she walked in on

My lips on the loose[Chorus]

Hey Nikki, don't you wanna come and get with me?

I know you're lookin' at me, call you on the daily

Hey Nikki, I know you wanna see me

Do all the things that I do to him, if you nasty[Verse 2]

He want me to

Prove to her it's good

She painting her scent

All over our room

And, but when we're done

Nikki's gone, like poof[Chorus]

Hey Nikki, don't you wanna come and get with me?

I know you're lookin' at me, call you on the daily

Hey Nikki, I know you wanna see me

Do all the things that I do to him, if you nasty[Chorus]

Hey Nikki, don't you wanna come and get with me?

I know you're lookin' at me, call you on the daily

Hey Nikki, I know you wanna see me

Do all the things that I do to him, if you nasty[Chorus]

Hey Nikki, don't you wanna come and get with me?

I know you're lookin' at me, call you on the daily

Hey Nikki, I know you wanna see me

Do all the things that I do to him, if you nasty[Chorus]

Hey Nikki, don't you wanna come and get with me?

I know you're lookin' at me, call you on the daily

Hey Nikki, I know you wanna see me

Do all the things that I do to him, if you nasty
