

# Big In Japan

## Guano Apes

Winter's city side  
Crystal bits of snowflakes all around my head and in the wind  
I had no illusions  
That I'd ever find a glimpse of summer's heat waves in your eyes  
You did what you did to me, now it's history I  
see  
Here's my comeback on the road again  
Things will happen while they can  
I will wait here for my man tonight, it's easy when you're big in Japan  
You're big in Japan  
You're big in Japan  
It's here  
You're big in Japan, then I'll sleep by your side all through the night  
Big in Japan, it's easy to be  
Neon on my skin  
Passing silhouettes of strange illuminated mannequins  
Shall I stay here at the zoo  
Should I go and change my point of view for other ugly scenes?  
You did what you did to me, now it's history I  
see  
Things will happen while they can  
I will wait here for my man tonight, it's easy when you're big in Japan  
You're big in Japan  
You're big in Japan  
It's here  
You're big in Japan, then I'll sleep by your side all through the night  
Big in Japan, it's easy to be  
[Incomprehensible]  
Too late, too late  
You're big in Japan  
You're big in Japan  
You're big in Japan  
It's here  
You're big in Japan, then I'll sleep by your side all through the night  
Big in Japan, it's easy to be  
You're big in Japan, then I'll sleep by your side all through the night  
Big in Japan, it's easy to be  
You're big in Japan  
You're big in Japan  
You're big in Japan  
It's here  
You're big in Japan
