Crossing the Ocean

The Knutz

Crossing the ocean through a waveform
Feel the wind, go upwind
Following the waves to reach the chant of your magnificent voice
Time and space are fractionating
As a starfishJust open wide your rippled mind
Following your mermaid eyes
Sunset colors fade to black
Orange crack just meltingCrossing the ocean through a waveform
Feel the wind, go upwind
Following the trail of its golden scales
I ran into the shore
Enchanted by you I dive
