

Fifteen Years Ago

Conway Twitty

I saw a man today who said he'd talked to you
Not so long ago I think a month or two
As my mind goes back in time I pray
Oh lord don't let it show
He thinks I forgot you fifteen years ago
Fifteen years ago and I still feel the same, why did
he have to mention your name
I'm as broken up inside as if it's been a week or so
Takes a mighty strong love, to keep a man thinking of a girls he hasn't seen since fifteen years ago.
I've got a
lovely wife who thinks the world of me
Promised her my love through all eternity
I've tried hard to make her happy
And so far she doesn't know
I can't shake this think of fifteen years ago
Fifteen years ago and I still feel the same, why did he have to
mention your name
I'm as broken up inside as if it's been a week or so
Takes a mighty long time
To get a real love off your mind
I know I've tried since fifteen years ago.
