We're Nothing But Pawns

Nasum

In the world where we live
We're nothing but pawns
A tool of their trade
A brick in the wall
Nothing but pawnsWe are nothing, only tools
Disposable and easy to get
We got fucked, we are such fools
We saw the hook and swallowed the baitThey fool us, seduce us
Buy us, use us
Defuse us, smash us
Kill us, trash usIn the world where we live
We're nothing but pawns
A tool of their trade
A brick in the wall
Nothing but pawns
