Baby, Hold Me Close

Jerry Lee Lewis

Now listen here, baby
To what old Jerry Lee has to say
'Cause, baby, Jerry don't talk this nonsense to everyone
I want you to get out on this dance floor with me now
And now hold me closeBaby, hold me close
In a tumbled move
Baby, you move too
Baby, you move me, girl
Oh, hold me closeMmm, baby, hold me close
Don't you move your feet
Just a-move it slow, baby
To that old rockin' beat
And don't you say a word
Mmm, honey, just, just hold me closeOh, baby, hold me close
Dance the night away
Honey, I want you to just breathe a little deep
Ahhh, you know what to say
Mmmm, when the band is gone
Honey, we can still rock onEasy now, honey hold me close
Honey, hold me tight
Squeeze old Jerry Lee
All through the doggone night
Oh, you know what I mean, honey
I can't stand much of this
I might go plumb crazyEasy now, rrrrrrr!
Uh huh huh!Oh, you look so doggone good, baby
You turn me up and I don't mean maybe
Ah hah! Oh honey, come on now
Let's go one timeOh baby, shake that thing
Hold me tight
I want you to hold me a little bit tighter, baby
All through the night
I can't stand much of this, baby
Oh! I might go plumb crazy now, darlin'Oh! Hold me close
That's the way, baby
Oh! ain't that the oldest beat in the world, darlin'
