Jailcell Mind

Hayley Sales

Everybody knows
The street that's paved can never be tilled
Everybody knows
The man who's full can never be filled
That's just the way it goes when we're already gone
That's just the way it goes
In a Jailcell MindLooking for the key
To open an already open door
So many people spend
Their whole lives just looking for more
That's just the way it goes when we're already gone
That's just the way it goes
in a Jailcell MindWaiting on an open wave
So many miss the tide
So let go
and break away
Out of your Jailcell Mind
Out of your Jailcell Mind
Out of your mindWell time's like a wall
It's up till you knock it down
Oh when the clock is your playground
but hardly anybody figures that outCause they're waiting on an open wave
About to miss the tide
So let go and break away
Out of your Jailcell Mind
Out of your Jailcell Mind
Out of you mind
Out of your mindCause that's the way it goes when we're already gone.
