

# Forget Me Not

## The Civil Wars

I've been a-waitin' for you  
And you've been a-waitin' for me  
Tell me that you'll always be true  
And you'll be the only one for me  
Forget me not, my dear, my darling  
Forget me not, my love  
I just wanna hold your hand  
Hang on every word you say  
Let's write a song for us  
And sing it till we're old and gray  
Forget me not, my dear, my darling  
Forget me not, my love  
I'm comin' home real soon  
Please leave a light on for me  
Tell me that you'll always be true  
And you'll be the only one for me  
Yes, you'll be the only one for me
