

Twist Your Ankle

[Andy Shauf](#)

last night
dancing slow and turning white[?]
with you caught in my eye
i'll twist your ankle with my sight[?]goodnight
i'll toss [?]
laugh with all your friends
oh i don't really understand themeverybody's laughing at me
just let me walk home
oh god
stumble over to the door
trashed and out of line
oh i don't think the fault is all mine
last night dancing slow and turning white[?]
i watched you walk right by
twist my ankle
stay by your side
everybody's laughing at me
i can't make a soundeverybody's laughing at me
i wish i just stayed home
