

2am

Room 94

Black and nothing, painted lies
No more colour in my tainted mind.
I keep letting go, but I forgot the reason.
I keep letting go I gotta stop you leaving.
You're all I want tonight,
You're all I want tonight. It's 2am, I'm standing outside in the dark
With the moon beside me.
It's 2am, and I don't know why
I've got this feeling inside me.
Where do we go, we'll never know
If you don't pick up the phone,
It's 2am, and I'm a little lost
Turn on the lights you'll find me. Cracked picture hanging on the wall,
Try to find you but I might fall
I keep letting go but I forgot the reason
I keep letting go I gotta stop you leaving! Just turn on the lights you'll find me!
Just turn on the lights.
