

The Closer I Get to You (feat. Beyoncé)

Luther Vandross

The closer I get to you
The more you make me see
By giving me all you've got (tell me more)
Your love has captured me Over and over again
I try to tell myself that we
Could never be more than friends
When all the while inside
I knew it was real
The way you make me feel Lying here next to you
Time just seems to fly
Needing you more and more
Let's give love a try (let's give love a try) Sweeter than sweeter love grows
And heaven's there for those
Who fool the tricks of time
With hearts in love will find
True love in a special way The closer I get to you, baby
The more you make me see (the more you make me see)
By giving me what you've got
Your love captured me Over and over again
I try to tell myself that we
Could never be more than friends
When all the while inside
I knew this was real (got to be real)
The way you make me feel (you know, you know, you know)
My baby, my baby, my baby, my love, my love, my love, my love Come a little closer so that we can see into the
eyes of love
I wanna see into those eyes of love
Just a little a closer let me speak to you
I want to tell you something
Here I am, here's my love; I just want you to come closer
Come a little closer, let me whisper in your ear
'Cause I want to tell you something
I wanna whisper in your ear so soft, so come closer
Move on in real close so we can celebrate the way we feel about each other's lovin'
Wanna tell you words, words of love, words that make you wanna
