Locked In

Judas Priest

I can't stand the way you move it
You drive me crazy with that walk
You get me so excited, I tremble and I shake
When you make the moves you make
You've got the key, the key to my heart
Go ahead and use it
Drag me in, slam the door
Then I'll be yours forevermore
You've got me locked in
Locked inside your love
You've got me locked in
Locked inside your love
I can't take it when you touch me
Feels so good I could explode
You've got me in a frenzy, I tremble and I quake
When you shake the things you shake
You've got the key, the key to my heart
Go ahead and use it
Drag me in, slam the door
Then I'll be yours, forevermore
You've got me locked in
Locked inside your love
You've got me locked in
Locked inside your love
Locked in
Locked inside your love
You've got me locked in
Locked inside your love
You've got the key, the key to my heart
Go ahead and use it
Drag me in, slam the door
Then I'll be yours forevermore
You've got me locked in
Locked inside your love
You've got me locked in
Locked inside your love
You've got me locked in, baby
Locked inside your love
You've got me locked in

Locked inside your love
You've got me locked in, baby
Locked inside your love
You've got me locked in
Locked inside your love
You've got me locked in
Locked inside your love
You've got me locked in
Locked inside your love
