

# Bad Habits

## Jenny Burton

It's two AM, who's that ringing my phone?  
It's you explaining why you don't wanna be alone  
Now I should hang up after what you put me through  
There's no reason for me to talk to you Except that no-one else can make me feel the way you do  
It's a shame, boy, but my heart is hooked on you  
You've been doing me wrong ever since I let you in  
But it's your love that thrills me to no ear I've got a bad, bad habit, baby  
And, baby, it's you, baby, it's you  
I've got a bad, bad habit, baby  
And, baby, it's you, baby, it's you It's eight AM, who's that knocking at my door?  
It's a lady for you, boy, now I can't take no more  
She's says that you're her man and she came to take you home  
But didn't you tell me that you were all alone?  
I've got a bad, bad habit, baby  
Oh, baby, it's you, baby, it's you  
I've got a bad, bad habit, baby  
Baby, it's you, baby, it's you Bad, bad habit, baby  
I know, baby, it's you, baby, it's you  
I've got a bad, bad habit, baby  
Oh, oh, it's you, I know it's you You're a bad, bad habit that I should break  
Don't wanna lose the love you make, oh, boy  
But you're always in some kind of mess  
I never know what to expect, no, no Oho, yeah (Bad, bad habit, baby) Oooh, baby  
It's you, baby, it's you, yeah, yeah  
Bad, bad habit, baby  
It's you, baby, it's you, it's you  
(I've got a bad, bad habit, baby  
Baby, it's you, baby it's you) (Bad, bad habit, baby  
Baby, it's you, baby, it's you  
Bad, bad habit, baby  
Baby, it's you, baby, it's you) Oh no, you're a bad, bad, bad, bad habit  
Bad, bad, bad, bad, bad, bad habit  
Bad, bad habit, bad, bad habit, yeah  
Bad, bad, baby, bad, bad habit Bad, bad habit, baby  
I know, baby, it's you, baby, it's you, oh, say you  
(Bad, bad habit, baby) Bad, bad habit
