

Cold Virginia Rain

Josh Williams

As I watch the rain slowly falling
It brings back memories of the past
I can still hear my sweetheart calling
The time she said is passing much too fast

Too many times loves taken for granted
You don't know what you've got until it's gone
I'm sitting all alone still feeling the pain
Sitting in this cold Virginia rain

My love for her still burns within me
Her footsteps they echo in my mind
I remember the last words that she told me
The love she said would only pass in time

Too many times loves taken for granted
You don't know what you've got until it's gone
I'm sitting all alone still feeling the pain
Sitting in this cold Virginia rain

Too many times loves taken for granted
You don't know what you've got until it's gone
I'm sitting all alone still feeling the pain
Sitting in this cold Virginia rain

I'm wandering what went wrong
I've no one else to blame
My life's falling like this cold Virginia rain
