

# Re-Align (live 2012)

## Godsmack

Decisions made from desperation  
No way to go  
Internal instincts craving isolation  
For me to grow My fears come alive  
In this place where I once died  
Demons dreaming  
Knowing I... I just needed to realign Fell in a river of illusion  
And apathy  
Drowning in a self-induced confusion  
I'd rather be YEAH! My fears come alive  
In this place where I once died  
Demons dreaming  
Knowing I... I just needed to realign My fears come alive  
In this place where I once died  
Demons dreaming  
Knowing I... I just needed to realign My fears come alive  
In this place where I once died  
Demons dreaming  
Knowing I... I just needed to realign My fears come alive  
In this place where I once died  
Demons dreaming  
Knowing I... I just needed to realign Yeah!
