

Skincarver

Danzig

Pull another face
Rip another hide
Steal the waning moon
From a dying bride
All the world will die
All the world will die
Ripped and skinned alive
All the world will die
SkinCarver
SkinCarver
SkinCarver
Cutting into madness
Slice upon slice
Cross on a chest
Such a heavy price
All the world will die
All the world will die
Ripped and skinned alive
All the world will die
SkinCarver
SkinCarver
SkinCarver
SkinCarver
SkinCarver
SkinCarver
SkinCarver
SkinCarver
SkinCarver
SkinCarver
SkinCarver
SkinCarver
SkinCarver
SkinCarver
