# End Of Night

## Dido

Only now its gone
I can see the year
See for what it was
And start another day
All the liberty you took
The love that you abused
The friends that you turned
Against me if you could
And youre twisting what I say
All that saying you were scared
It doesnt matter anymore
Cos Im not there
You were careless when the beat kicked in
And careless when it left
And careless all the way
I didnt see it till the endI feel nothing
When you cry
I hear nothing
See no need to reply
I can smile now
And turn away
Come over here
So you can see me walk away
And celebrate
The end of night
The end of nightIt only takes one lie
To bring this house down
Behind closed doors
No one tells the first time round
Pain is worse when you bring it on yourself
The sweetest bully building
A love that couldnt last
You were ugly when the beat kicked in
And ugly when it left
And ugly all the way, I didnt see it till the endI feel nothing
When you cry
I hear nothing
See no need to reply
I can smile now

And turn away
Come over here
So you can see me walk away
And celebrate
The end of night
The end of nightAfter the fall comes love
I hate to hate and love to loveI feel nothing
When you cry
I hear nothing
See no need to reply
I can smile now
And turn away
Come over here
So you can see me walk away
And celebrate
The end of night
The end of night
