

Man on Fire

Andy Gibb

I'm a man on fire, it's a burning thing
It'll burn on forever if you feed me baby
I'm a man on fire, an eternal flame
It'll burn on forever if you feed me baby, oh Gotta be a place to go in the midnight hour
Heart of a woman and just a little bit of pulling power
The feelings got me, I don't know what it means
I know it must be wrong but when you love somebody you dream And I dream, I save the love down deep inside
me
For the moment when you come and you're there
And you're gone and I'm alive for you
And my love keeps hanging on There is no life, no reason to go on believing
In the stronger love, there is no unifying
If I don't hear you crying, I'm yours
You're mine, no power in the world Together we are strong in love
And when your storm is over
I'll show how warm my love can be
And me, I'm a man on fire I'm a man on fire, it's a burning thing
It'll burn on forever if you feed me baby
I'm a man on fire, an eternal flame
It'll burn on forever if you feed me baby, oh Ready when the lightning strikes
And he deed is done, I'm not a beginner
But I'm a sinner when the heat is on
Nothing gonna stop me Got me all that you need
Woman when you need somebody
A woman with a face and a body
You dream and I dream I save the love down deep inside me
For the moment when you come
And you're there and you're gone
And I'm alive for you and my love keeps hanging on There is no life, no reason to go on believing
In the stronger love, there is no unifying
If I don't hear you crying, I'm yours
You're mine, no power in the world Together we are strong enough
And when your storm is over
I'll show how warm my love can be
And me, I'm a man on fire I'm a man on fire, it's a burning thing
It'll burn on forever if you feed me baby
I'm a man on fire, an eternal flame, oh baby Don't you know that I'm burning up
(It's a burning thing)
In the flame of your love

Don't you know that I'm burning up
(It's a burning thing)
In the flame of your love Don't you know that I'm burning up
(It's a burning thing)
In the flame of your love
Don't you know that I'm burning up
(It's a burning thing)
In the flame of your love
