

# Look On the Floor

## Bananarama

It's close to midnight  
And I'm leavin' now  
I'm getting in my car  
I'm headin' out And I can't slow down  
Cos I don't know how You got my number  
So we'll be fine  
So go and use it  
Just don't waste my time Cos you're on my mind  
And you know I'm right [Bridge]  
You take me over  
Stay with me and  
We'll fade away [Chorus]  
Look on the floor  
And all are spinnin' round  
Someone told me this  
was just a dance  
And take a chance  
And I'll give you more  
Do you really think  
We have a chance Devils in your eyes  
And he's lookin' at me  
I know what you want  
And you know what I need Come and show me how  
How do you get down [Bridge] [Chorus]  
Repeat Chorus Chance X 11  
Do you really think we have a chance [Chorus X2]
