

Angel With A Shotgun

The Cab

(I'm an angel with a shotgun, shotgun, shotgun
An angel with a shotgun, shotgun, shotgun)Get out your guns, battles begun
Are you a saint, or a sinner?
If loves a fight, than I shall die
With my heart on a triggerThey say before you start a war
You better know what you're fighting for
Well baby, you are all that I adore
If love is what you need, a soldier I will beI'm an angel with a shotgun
Fighting til' the wars won
I don't care if heaven won't take me back
I'll throw away my faith, babe, just to keep you safe
Don't you know you're everything I have?
And I, wanna live, not just survive, tonightSometimes to win, you've got to sin
Don't mean I'm not a believer
And major Tom, will sing along
Yeah, they still say I'm a dreamerThey say before you start a war
You better know what you're fighting for
Well baby, you are all that I adore
If love is what you need, a soldier I will beI'm an angel with a shotgun
Fighting til' the wars won
I don't care if heaven won't take me back
I'll throw away my faith, babe, just to keep you safe
Don't you know you're everything I have?
And I, wanna live, not just survive, tonightOh, oh whoa whoa oh whoaI'm an angel with a shotgun
Fighting til' the wars won
I don't care if heaven won't take me backI'm an angel with a shotgun
Fighting til' the wars won
I don't care if heaven won't take me back
I'll throw away my faith, babe, just to keep you safe
Don't you know you're everything I have?
(I'm an angel with a shotgun)
And I, want to live, not just survive, tonight
(Live, not just survive)And I'm gonna hide, hide, hide my wings tonightThey say before you start a war
You better know what you're fighting for
Well baby, you are all that I adore
If love is what you need, a soldier I will be
