Significant Other

Inessa

Pullin back from the precipice
Feel so small now, stars shine bright above
Dont know why
Receive a better life for a song
Cant but try, other leads applyLookin up at tragic rush on underground
Birds will turn and fly
Dont know why
Passin through the day, only child
Breathe a sigh, other leads applyRaining all day, trying to reach you
Feel so helpless, cant stop counting time (but in)
Dont know why, hands (something) stealin my heart
Graceful dives, other leads apply* (rain down from the sky)
