Hey!

B-Free

Hey, I didn't wanna give this up, I didn't
Hey, I didn't wanna throw it all away
Hey, said I'm forever, never go, I didn't
I didn't leave it
Watching from a sinking ship
Hear the record skip
Fearful in my bones
Am I alive or am I just dying inside just to get by?
I'm so sick and tired of the lie in my life
I'm so sick and tired of the fire that won't ignite
I'm sick of myself already, you'll get to me
Taking everything that I'm supposed to be
Hey, I didn't wanna give this up, I didn't
Hey, I didn't wanna throw it all away
Hey, said I'm forever, never go, I didn't
I didn't leave this
States up and to Japan
I'm a complicated man
I used to never stand up
Now I won't back down, don't try to shut me up
I'm so sick and tired of the lie in my life
I'm so sick and tired of the fire that won't ignite
I'm sick of myself already, you'll get to me
Taking everything that I'm supposed to be
Hey, I didn't wanna give this up, I didn't
Hey, I didn't wanna throw it all away
Hey, said I'm forever, never go, I didn't
I didn't leave it
Hey, I didn't wanna give this up, I didn't
Hey, I didn't wanna throw it all away
Hey, said I'm forever, never go, I didn't
I didn't leave it
Hey, I didn't wanna give this up, I didn't
Hey, I didn't wanna throw it all away
Hey, said I'm forever, never go, I didn't
Take that, take it out, take it up
