S.O.S.

ABC

So here we are
Drifting on an open sea
So here we are
For all we know but then again
We know for all we know
You know, you know

With all the power that I possess
Let's match their money with our own finesse
Why should we ever have to settle for less?
Why does this message always have to be...
S.O.S. S.O.S. S.O.S.
S.O.S. S.O.S. S.O.S.
S.O.S. S.O.S. S.O.S.
One cool million for one cool caress

So here we are
Still drifting on an open sea
So here we are
For all we know but then again
We know for all we know
I know, I know

With all the power that I possess
Let's match their money with our own finesse
Why should we ever have to settle for less?
Why does this message always have to be...
S.O.S. S.O.S. S.O.S.
S.O.S. S.O.S. S.O.S.
S.O.S. S.O.S. S.O.S.
One cool million for one so possessed

S.O.S. S.O.S. S.O.S.
S.O.S. S.O.S. S.O.S.
