

# S.O.S.

## ABC

So here we are  
Drifting on an open sea  
So here we are  
For all we know but then again  
We know for all we know  
You know, you know

With all the power that I possess  
Let's match their money with our own finesse  
Why should we ever have to settle for less?  
Why does this message always have to be...  
S.O.S. S.O.S. S.O.S.  
S.O.S. S.O.S. S.O.S.  
S.O.S. S.O.S. S.O.S.  
One cool million for one cool caress

So here we are  
Still drifting on an open sea  
So here we are  
For all we know but then again  
We know for all we know  
I know, I know

With all the power that I possess  
Let's match their money with our own finesse  
Why should we ever have to settle for less?  
Why does this message always have to be...  
S.O.S. S.O.S. S.O.S.  
S.O.S. S.O.S. S.O.S.  
S.O.S. S.O.S. S.O.S.  
One cool million for one so possessed

S.O.S. S.O.S. S.O.S.  
S.O.S. S.O.S. S.O.S.
