

I'll Never Fall In Love Again

Burt Bacharach

What do you get when you fall in love?

 A guy with a pin to burst your bubble

 That's what you get for all your trouble

 I'll never fall in love again

I'll never fall in love againWhat do you get when you kiss a girl

 You get enough germs to catch pneumonia

 After you do, she'll never phone you

 I'll never fall in love again

I'll never fall in love againDon't tell me what it's all about

 'Cause I've been there and I'm glad I'm out

 Out of those chains those chains that bind you

That is why I'm here to remind youWhat do you get when you fall in love?

 You only get lies and pain and sorrow

 So for at least until tomorrow

 I'll never fall in love again

I'll never fall in love againOut of those chains those chains that bind you

That is why I'm here to remind youWhat do you get when you fall in love?

 You only get lies and pain and sorrow

 So for at least until tomorrow

 I'll never fall in love again

 I'll never fall in love again

 I'll never fall in love again
