I Like It Like That

The BossHoss

Oh man oh man
Ooh I like it like that
Ooh I like it like that
Ooh I like it like that
Ooh I really like it like thatI'm wrapped around her finger she is the one I want
I know she'll give me trouble trouble here I come
She really moves my zipper I really wanna kiss her
Oh man it couldn't get much better than thisI like it just sittin' there watchin' you dancin'
Like it like a look in your eyes so handsome
I like it like just look at you romance
When you're going down down down down
I like it when you're lickin' your lips
Shaking' your hips sideways
Like it when you turn around looking up my way
I love it how you turn it up loud
When we're going down down down downOoh I like it like that
Ooh I like it like that
Ooh I like it like that
Ooh I really like it like thatHey now don't stop your swangin'
I love just what you're brangin'
Baby just keep it comin' cuz you're driving me insane
You really make me shiver
My whole body quiver
Oh man it couldn't get much better than thisI like it just sittin' there watchin' you dancin'
Like it like a look in your eyes so handsome
I like it like just look at you romance
When you're going down down down down
I like it when you're lickin' your lips
Shaking' your hips sideways
Like it when you turn around looking up my way
I love it how you turn it up loud
When we're going down down down downOoh I like it like that
Ooh I like it like that
Ooh I like it like that
Ooh I really like it like that
Ooh I like it like that
Ooh I like it like that
Ooh I like it like that
Ooh I really like it like thatShe swings it she swangs it

She swings it then she swangs it
She brings it she brangs it
She brings it then she brangs itWhen the beat is pumpin' my heart starts thumpin'
When you purr like a cat I like it like that
When I see you rockin' my heart starts boppin'
Wanna see you sweat cuz I like it like that
When you do the twirl my brain
In my headbone's doin' the same I like it like that
When I hear you scream my backbone's shivering I like it like thatI like it just sittin' there watchin' you dancin'
Like it like a look in your eyes so handsome
I like it like just look at you romance
When you're going down down down down
I like it when you're lickin' your lips
Shaking' your hips sideways
Like it when you turn around looking up my way
I love it how you turn it up loud
When we're going down down down downI like it just sittin' there watchin' you dancin'
Like it like a look in your eyes so handsome
I like it like just look at you romance
When you're going down down down down
I like it when you're lickin' your lips
Shaking' your hips sideways
Like it when you turn around looking up my way
I love it how you turn it up loud
When we're going down down down downOoh I like it like that
Ooh I like it like that
Ooh I like it like that
Ooh I really like it like that
Ooh I like it like that
Ooh I like it like that
Ooh I like it like that
Ooh I really like it like that
