Ji Nilsson

Come dance with me  
Save all your tears for another time  
Right here baby  
You know I'm still yours  
And you're still mine  
Don't want to feel  
So won't you let my emotions be?  
Come dance with me When this song is over so are we  
When this song is over so are we I'm not ready, I'm not ready to let you go  
I'm not ready at all,  
So won't you hold on baby  
You got to take it slow  
I'm not ready at all Keep your feet on the dance floor  
Encore  
I'm not ready for this  
Baby do the dance once more  
Encore  
I'm not ready for this Come dance with me  
Yeah  
When this song is over so are we The way we were  
Will never be what we used to be baby  
We live, we learn  
Love and set free  
When this song is over so are we  
When this song is over so are we  
I'm not ready  
I'm not ready, I'm not ready to let you go  
I'm not ready at all  
So won't you hold on baby  
Got to take it slow  
I'm not ready at all  
At all Come dance with me  
When this song is over so are we  
Come dance with me  
Yeah  
When this song is over so are we  
Yeah, yeah  
Encore  
Yeah

Encore  
Yeah, yeah  
Encore  
Yeah, yeah  
I'm not ready, I'm not ready  
To let you go  
I'm not ready, I'm not ready  
At all So won't you hold on baby  
Got to take it slow  
I'm not ready at all  
Keep your feet on the dance floor  
Encore  
I'm not ready for this  
Baby do the dance once more, encore  
I'm not ready for this, ready for this  
Come dance with me  
Yeah  
When this song is over so are we  
Come dance with me  
Yeah  
When this song is over so are we
