

# Bring Down Your Glory

Panam Percy Paul

## INTRO

Lord, we are sorry,  
we have turned around and gone astray,  
Your trust for us we have betrayed,

Your power we don't recognise,  
Your Lordship we have all despised,  
we cannot pretend,  
we all now repent,  
forgive us Lord we pray

## CHORUS

bring down your glory. ~—2

## VERSE 1

Where is all the power, we have heard about, your glory and protection,  
for the ones you died for,  
something must be truly wrong,  
Please Jesus! what can it be?  
I hear your voice speaking to my conscience!  
the church has turned from you.  
and trusting in their doctrines,  
giving praise to people,  
and never talking of Your power.

## BRIDGE

Lord we are sorry, (we've turned around)  
we have turned around and gone astray,  
Your trust for us we have betrayed,  
Your power we don't recognised,  
Your Lordship we have all despised,  
we cannot pretend,  
we all now repent,  
forgive us Lord we pray

## CHORUS

bring down your glory. ~—2

## VERSE 2

The church is now depending on her power!

trusting in her wisdom, thinking she can change the world,  
we need to reach the people, but the power must come from You

#### BRIDGE

Lord we are sorry,  
we have turn around and gone astray,  
Your trust for us we have betrayed,

Your Lordship we have all despised,  
we cannot pretend,  
we all now repent,  
forgive us Lord we pray

#### CHORUS

bring down your glory. ã—2

we need your mercy Lord (bring down your glory)
