

# Candy (feat. Jo Stafford)

Johnny Mercer

It's a rainy afternoon In 1990  
The big city... geez, it's been 20 years!  
Candy,  
    You were so fine  
    Beautiful, beautiful Girl from the north  
    You burned my heart with a flickering torch  
    I had a dream that no one else could see  
    You gave me love for free  
CHORUS  
    Candy Candy Candy  
    I can't let you go  
    All my life you're haunting me  
    I loved you so  
    Candy Candy Candy  
    I can't let you go  
    Life is crazy  
Candy baby Yeah, well it hurt me real bad when you left  
    I'm glad you got out  
    But I miss you I've had a hole in my heart  
        For so long  
    I've learned to take it and Just smile along  
        Down on the street  
    Those men are all the same  
        I need a love  
        Not games  
        Not games  
    CHORUS
