Chemical Strangle

Downset

Geo catastrophic continents hostage of polished profits, too much fluoride out my faucet, taste the toxic bionomic cost, is all this planet damage, land is captive, challenged organic balance, technical devil festival, terminal volatile obstacles possible, 50 earth species reaching scarcity daily, pavement replacing the ancient sacred places, chemical strangle
Chemical, chemical, irreversible, chemical strangle, chemical, chemical, so what you gonna do about it, chemical strangle, chemical, chemical, irreversible, chemical strangle, chemical, chemicalEarth first blessed me with green trees to breathe freely, healing planetary boundaries completely, bio-piracy, what kills the earth kills you and me, climate crisis, frightened science divided, fertile soils spoiled, natural inhabitables have to go based on vile capital knowledge, medicine proven, nourishment tribunal, worsened plant, damn, save the land, chemical strangle
Chemical, chemical, irreversible, chemical strangle, chemical, chemical, so what you gonna do about it, chemical strangle, chemical, chemical, irreversible, chemical strangle, chemical, chemical, so what you gonna do about it?
So what you gonna do about it? (x3)StrangleBless the land
Bless it
