I'm Back

Ashley Tisdale

See ya from a distance on the prowl
Keep it up, it's only gonna let ya down
Come right over here, have a look around
There's not a lot of diamonds in this crowd
You're after somethin' that's pinnacle
Just let me know
Gotta get it while it's available
It's logical
Better get on it, show that you want it
If you keep frontin' it'll be gone
If you're lookin' for somebody to switch it like that
I'm back, I'm back
If you're lookin' for somebody to keep you on track
I'm back, I'm back
If you're lookin' for somebody to answer right back
I'm back, I'm back
'Cause you don't have to keep on lookin' no more
'Cause I'm back, I'm back
Gimme half a chance, I'll make you shine
I'm more like a dub way past a dime
Truth is, you need this in your life
Anything above me is just wasted time
Got what you need if it's physical
Irresistible
Wanna make this night unforgettable?
Incredible
Better get on it, show that you want it
If you keep frontin' it'll be gone
If you're lookin' for somebody to switch it like that
I'm back, I'm back
If you're lookin' for somebody to keep you on track
I'm back, I'm back
If you're lookin' for somebody to answer right back
I'm back, I'm back
'Cause you don't have to keep on lookin' no more
'Cause I'm back, I'm back
If you're lookin' for somebody who cuts her own checks
Well, I'm back, I'm back
If you're lookin' for somebody who gets respect

Well, I'm back, I'm back
If you're lookin' for somebody who don't take no shh
Well, I'm back, I'm back
'Cause you don't have to keep on lookin' no more
'Cause I'm back, I'm back
Go on pretending, I'm not what you're missing
Go on, be happy, you'll never know
Not gonna stress just to get your attention
Not gonna beg you to get up close
Baby, don't because I'm back
If you're lookin' for somebody to switch it like that
I'm back, I'm back
If you're lookin' for somebody to keep you on track
I'm back, I'm back
If you're lookin' for somebody to answer right back
I'm back, I'm back
'Cause you don't have to keep on lookin' no more
'Cause I'm back, I'm back
If you're lookin' for somebody who cuts her own checks
Well, I'm back, I'm back
If you're lookin' for somebody who gets respect
Well, I'm back, I'm back
If you're lookin' for somebody who don't take no shh
Well, I'm back, I'm back
'Cause you don't have to keep on lookin' no more
'Cause I'd beg, I'm back
I'm back, I'm back
