Collard Greens & Cornbread

Fantasia

Yesterday I cursed you
And told you that I was through
But today I'm with you
Ain't that some love?Tomorrow you might hate me
And find you somebody new
But today I'm with you
Ain't that some love?I ain't gon' lie, boy, you got me
Out of my mind in L-O-V-EI go crazy when you love me, got me acting a mess
Even got the nerve to say you're better than my momma's
Collard greens and cornbread, yeah
Collard greens and cornbread, yeahI never put up with BS from anyone
But I take it from you
Ain't that some love?And I never had no one
Put me through what you do
But as long as it's you, baby
That's some loveOh, I ain't gon' lie, boy, you got me
Out of my mind in L-O-V-EI go crazy when you love me, got me acting a mess
Even got the nerve to say you're better than my momma's
Collard greens and cornbread, yeah
Collard greens and cornbread, yeahBaby, and you're my sweet potato pie
Sugar, you know you are
Oh sugar, and I can't get enough of you
Boy, I'm crazy bout what you doOh, I aint gon' lie, boy, you got me
Out of my mind in L-O-V-EI go crazy when you love me, got me acting a mess
Even got the nerve to say you're better than my momma's
Collard greens and cornbread, yeah
Collard greens and cornbread, yeah
Collard greens and cornbread, yeah
Collard greens and cornbread, yeah, hey babe
