Come Back To California

Hot Chelle Rae

(Why's it so cold in California?
Geez, get me a coat! Woo!)Well, the beach is empty
And the skies are grey
It's getting cold out on the pier
(I'm freezing!)Ever since you left me
There hasn't been a sunny day
I gotta say, it's getting weirdI'm tired of waiting, soCome back to California
It sucks without you here
It's like the sun stopped shining
The palm trees disappearedCome back to California
Life sucks since you've been gone
So, I'll pour you a mojito
I'll play your favorite songI'm just trying to say I miss you
I miss youThe medical marijuana
Sales are going through the roof
But nothing gets me quite as high as you
(Nothing quite as high as you, baby)You used to call me a hipster
But now, I'm looking like a bum
I haven't changed my shirt in monthsSo tired of waitingCome back to California
It sucks without you here
It's like the sun stopped shining
The palm trees disappearedCome back to California
Life sucks since you've been gone
So, I'll pour you a mojito
I'll play your favorite songI'm just trying to say I miss you
You got me singing likeOh, here we goCome back to California
It sucks without you here
It's like the sun stopped shining
The palm trees disappearedCome back to California
Don't leave me all alone
I'll call up Schwarzenegger
Tell him you're coming home
(She's coming home!)Come back to California
It sucks without you here
It's like the sun stopped shining
The palm trees disappearedCome back to California
Life sucks since you've been gone
So, I'll pour you a mojito
I'll play your favorite songI'm just trying to say I miss you

And I'm just trying to say I miss you
I miss you
I miss you
I miss you
