

# Don't Know Why I Do It

Mark Chesnutt

Have you ever stared down in the bottom of a coffee cup  
And discovered that you got no reason staying up  
Right at the moment when  
The caffeine is kickin' in So you break down and give an old girlfriend a call  
Then after two hours of hearing her mindless talk  
You remember what you dumped her for  
And you wish you hadn't opened that door [Chorus]  
I do it and I don't know why  
Hate to admit it but I think that I  
Got something rollin' round loose inside  
That never was screwed down tight I don't know why I do it  
But I do it all the time  
Have you ever worked hard  
To line your pockets with dough Then let a little girl and love start burning a hole  
Knowing that she'll break your heart  
And max out your credit cards [Chorus] No, I don't know why I do it  
But I do it all the time Have you ever fallin' for a girl thinkin' she's the one  
And you get a funny feeling that your ramblin' days are done  
You can tell she loves you so much  
You have to go and screw it up [Chorus] No, I don't know why I do it  
I do it I do it I do it  
I do it and I don't know why  
I got a habit of wreckin' my life Keep leaning left when I want to go right  
You know it isn't like I haven't tried  
I don't know why I do it  
But I do it all the time (Why do it, Don't know why I do it)  
I don't know why I do it,  
But I do it all the time....
