

# Bad Shit ( LP Version )

## Porno for Pyros

Got some bad shit  
Then I walked the beach in Venice, oh! I went outside  
I been in too long  
I went outside  
For some inspiration  
Did the G-O  
Did the No-Go  
There were stars  
There were flies  
Even the flies dropped like...  
What does a fly drop like?  
Stars Oh, but I didn't slow down I went outside  
I thought I was a Chinese blues player  
Outside  
I've been in too long  
Did the G-O  
And then I did the No-Go  
There were stars  
There were flies  
Even the flies dropped like...  
What do flies drop like?  
Like stars But I didn't slow down  
I didn't slow down  
I didn't slow down  
Never went down  
I didn't slow down Stars!  
Stars
