Fluorescent

Eaves

I?m not sayin' nothin' you don?t already know
You know you?re too delicious, more than I can handle
Lyin? around late at night, so luscious that I ache
Baby, why?d you fall asleep? I?m still awake
I?m in love, in love with a dream
My Valentine?s gone and broke my wings
I?ll see in time, I feel a bit weak
You better be right 'cause you promised me
I must have lost my mind
I can?t believe you?re still inside my bed
I nearly walked away
I didn?t think we?d still be rollin?
Dressin' up in your love is a dangerous thing
My sexy super lover?s got a real bad sting
Baby, didn?t want no trouble, this is more than I can afford
I can?t help myself, keep comin' back for more
For more, can?t help comin' back for more
I?m in love, in love with a dream
My Valentine?s gone and broke my wings
I?ll see in time, I feel a bit weak
You better be right 'cause you promised me
I must have lost my mind
I can?t believe you?re still inside my bed
I nearly walked away
I didn?t think we?d still be rollin?
And as I watch you sleep in the dim light
I close my eyes and pray
Another fluorescent night
Yeah, you and I
Late night lovers kickin? in the covers
Don?t need no one but you and I
'Cause every day's a weekend, forget what we were thinkin?
Another sweet fluorescent night
I must have lost my mind
I can?t believe you?re still inside my bed
I nearly walked away
I didn?t think we?d still be rollin?
And as I watch you sleep in the dim light
I close my eyes and pray

Another fluorescent night
Yeah, you and I
